## SOLUTIONS THAT FIT YOUR FLEET.

Having access to the parts you need is critical to the success and efficiency of your operation.

At Case IH we understand that every farm has different parts needs. Whether you run new, used, legacy or mixed-fleet equipment, your Case IH Dealer is committed to providing you with the parts and solutions you need to keep your entire fleet running when uptime is most critical.

We offer three categories of parts solutions designed to fit your different equipment needs.

- **CASE IH GENUINE PARTS**
- **CNH REMAN PARTS**
- **FLEETPRO™ PARTS**

## CASE IH GENUINE PARTS:

Case IH genuine parts are engineered specifically for Case IH equipment. Our genuine parts and fluids are tested against the industry's highest quality standards and are backed by warranty and proven to provide optimal performance for your Case IH equipment.

## REMAN PARTS:

CNH Reman parts are genuinely remanufactured parts that have been assembled and tested to meet OEM specifications. All CNH Reman parts are completely disassembled, inspected and reassembled to OEM specification, providing environmentally sustainable, like-new functionality for Case IH equipment.

## FLEETPRO™ PARTS:

FLEETPRO™ parts are designed to fit your equipment on your farm regardless of brand or age. Over your lifetime, different machines come and go. Old or new, the FLEETPRO™ portfolio provides you with a wide selection of competitively priced parts options to meet your operation's unique equipment needs.

## SAY DOWN WITH DOWNTIME

You shouldn't have to choose between making repairs and staying productive. And with 0% interest on Case IH genuine parts and services, you don't have to. Whether you need crucial wear parts or basic maintenance essentials, get the support you need, right when you need it. With 0% interest available on parts and services over \$10K, there's never been a better time to say down with downtime.
